[Coast Academies CCTV Policy 2016-17](#)

INTRODUCTION

The purpose of this Policy is to regulate the management, operation and use of the CCTV system (Closed Circuit Television) at with Coast Academies.

The system comprises of a number of fixed dome cameras located in and around Coast Academies sites. Eden Park cameras are monitored from the IT Office, Preston Primary Cameras are monitored from the School Office and images are only available to selected senior staff. Cockington Primary School cameras are monitored from the School Office.

This Policy follows Data Protection Act guidelines.

The Policy will be subject to review bi-annually to include consultation as appropriate with interested parties.

OBJECTIVES OF THE CCTV SYSTEM

To protect pupils, staff and visitors.

To increase personal safety and reduce the fear of crime.

To protect the school buildings and assets.

To protect the personal property of pupils, staff and visitors.

To support the police in preventing and detecting crime.

To assist in identifying, apprehending and prosecuting offenders.

To assist in managing the school.

STATEMENT OF INTENT

The CCTV system will seek to comply with the requirements both of the Data Protection Act and the Commissioner's Code of Practice.

Coast Academies will treat the systems, all information, documents and recordings (both those obtained and those subsequently used) as data protected under the Act.

Cameras will be used to monitor activities within Coast Academies schools and grounds to identify criminal activity occurring, anticipated, or perceived. It will be used for the purpose of securing the safety and wellbeing of the pupils, staff and schools together with its visitors.

The systems have been designed to deny observation on adjacent private homes, gardens and other areas of private property.

Materials or knowledge secured as a result of CCTV will not be used for any commercial purpose.

Images will only be released to the media for use in the investigation of a specific crime with the written authority of the police.

Images will never be released to the media for purposes of entertainment.

The planning and design has endeavoured to ensure that the system will give maximum effectiveness and efficiency but it is not possible to guarantee that the system will cover or detect every single incident taking place in the areas of coverage.

Warning signs, as required by the Code of Practice of the Information Commissioner will be clearly visible across sites.

SYSTEM MANAGEMENT

The system will be administered and managed by Coast Academies IT Department, Metcalfe Allen and Full Stop who will act as the Data Controller, in accordance with the principles and objectives expressed in the policy.

The day-to-day management will be the responsibility of both the Chief Executive Officer and the IT Manager/Staff who will act as the System Manager.

The system and the data collected will only be available to the Data Controller, the Chief Executive Officer and the System Manager and IT staff.

The CCTV system will be operated 24 hours each day, every day of the year.

The System Manager/IT staff will check and confirm the efficiency of the system daily and in particular that the equipment is properly recording and that cameras are functional.

Unless an immediate response to events is required, cameras will not be directed at an individual, their property or a specific group of individuals, without authorisation in accordance with the Regulation of Investigatory Power Act 2000.

The System Manager/IT staff must satisfy themselves of the identity of any person wishing to view images or access the system and the legitimacy of the request. Where any doubt exists access will be refused.

Details of **ALL** visits and visitors will be recorded in the system log book including time/data of access and details of images viewed. Any visit may be immediately curtailed if prevailing operational requirements make this necessary.

LIAISON

Liaison meetings may be held with all bodies involved in the support of the system.

DOWNLOAD MEDIA PROCEDURES

In order to maintain and preserve the integrity of the data (and to ensure their admissibility in any legal proceedings) any download media used to record events from the hard drive must be prepared in accordance with the following procedures: -

Each download media must be identified by a unique mark. Before use, each download media must be cleaned of any previous recording.

The System Manager/IT staff will register the date and time of download media insertion, including its reference.

Download media required for evidential purposes must be sealed, witnessed and signed by the System Manager/IT staff, then dated and stored in a separate secure evidence store. If a download media is not copied for the police before it is sealed, a copy may be made at a later date providing that it is then resealed, witnessed and signed by the System Manager, then dated and returned to the evidence store.

If download media is archived the reference must be noted.

Images may be viewed by the police for the prevention and detection of crime and by the Pastoral Team.

A record will be maintained of the release of any download media to the police or other authorised applicants.

Viewing of images by the police must be recorded in writing.

Should images be required as evidence, a copy may be released to the police under the procedures described in this policy. Images will only be released to the police on the clear understanding that the download media (and any images contained thereon) remains the property of the school, and download media (and any images contained thereon) are to be treated in accordance with Data Protection legislation. Coast Academies also retains the right to refuse permission for the police to pass the downloaded media (and any images contained thereon) to any other person. On occasions when a Court requires the release of a downloaded media this will be produced from the secure evidence store, complete in its sealed bag.

The police may require Coast Academies to retain the downloaded media for possible use as evidence in the future. Such downloaded media will be properly indexed and securely stored until they are needed by the police.

Applications received from outside bodies (e.g. solicitors) to view or release images will be referred to the Boards, Legal department.

ASSESSMENT OF THE SYSTEM AND CODE OF PRACTICE

Performance monitoring, including random operating checks, may be carried out by the Chief Executive Officer or the Data Controller.

COMPLAINTS

Any complaints in relation to the Coast Academies CCTV system should be addressed to the Chief Executive Officer.

ACCESS BY THE DATA SUBJECT

The Data Protection Act provides Data Subjects (individuals to whom "personal data" relate) with a right to data held about themselves, including those obtained by CCTV.

Requests for Data Subject Access should be made to the Chief Executive Officer.
