

EDEN PARK PRIMARY & NURSERY SCHOOL IMPROVEMENT PRIORITIES

COAST
ACADEMIES

Leadership and Management

Refine our curriculum to provide additional challenge and aspiration.

Cement a culture of Professional Development that encourages, challenges and supports improved outcomes.

Support parents in becoming active and informed partners in learning.

Teaching, Learning and Assessment

Tighten formative assessment structures to ensure maximum impact on learning.

Provide immersion and creativity in the Year 1 curriculum.

Develop our evidence-based practice in English.

Develop a Mastery Maths Approach across the school.

Personal Development, Behaviour & Welfare

Deliver high quality, consistent safeguarding from ages 2-11.

Provide greater clarification of behaviour levels for school community.

Ensure children rarely miss a day of school.

Outcomes for Pupils

Diminish differences between disadvantaged and other children where there are existing gaps.

Improve pupil progress in writing, focusing on handwriting and spelling.

Increase percentage of children attaining a high score in Maths in KS2.

Early Years Provision

Develop effective communication and language skills for all children.

Raise attainment at the end of the Early Years Foundation Stage.

Provide a highly stimulating learning environment that excites all learners.

Ensure consistency of practice in Tadpoles and Frogs

Coast Academies Key Priorities

To clarify our shared understanding of high quality teaching and learning and to provide appropriate challenge and support for our schools linked to this.

To create clear pathways for leadership development working within and beyond our own MAT.

To continue to grow and develop our MAT to allow us to benefit from economies of scale, further collaboration and sharing of expertise.
