

# PRESTON PRIMARY SCHOOL IMPROVEMENT PRIORITIES

COAST  
ACADEMIES

## Leadership and Management

Initiate and commission outstanding and innovative staff development that raises the standard of teaching and learning.

To develop a Digital IT strategy that will enable Preston to use technology in the best possible way to support working and learning for all pupils, especially those who are disadvantaged.

## Teaching, Learning and Assessment

Update our Curriculum to match the needs and aspirations of our pupils and their families in an ever-changing society.

To implement a new assessment tool to accurately direct teachers' focus to maximise progress for all groups of children.

## Personal Development, Behaviour & Welfare

Develop a whole school vision for how we build Character Development to equip our pupils for their future.

Attendance: Ensure all children value education and rarely miss a day.

## Outcomes for Pupils

To ensure pupils' progress and attainment are above national averages, especially the progress of disadvantaged pupils.

To coach pupils to have a more robust approach to learning and challenges.

## Early Years Provision

Develop our Continuous Provision to further match the activities to the learning styles and interests of our pupils.

Develop an expanded team to meet the needs of every child in the Unit, particularly our disadvantaged or SEND pupils.

## Our Vision for Preston Primary

An outstanding coastal school known for an innovative curriculum that delivers excellent outcomes for children.

### The Aims of our Curriculum:

- The development of Citizenship.
- Personal growth and Self Development.
- Occupational Preparation.
