

Impact of Primary PE and Sport Grant Allocation

Total Budget

2020-2021

£18,810

Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

Objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding.

The school will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

PE and Sport Premium Key Outcome Indicator	Strategy	Focus age group	Planned Impact	Actual impact (following review)	Sustainability/ Next Steps	Cost
1. the engagement of <u>all</u> pupils in regular physical activity – kick-starting healthy active lifestyles 2. the profile of PE and sport being raised across the school as a tool for whole school improvement. 3. increased confidence, knowledge and skills of all staff in teaching PE and sport	Installation of a 2G Astroturf pitch on our school field.	All year groups	At Preston Primary we have started a new exciting project. We want to convert our school field into an all-weather, astro turf 2G pitch. Ideally, we want to complete our fund raising to have the pitch installed by Summer 2021. This will have a big impact on school life for our children. This will enable us to run sporting events all year. Children will be able to play in this space every day, not just dry days. We want to share the space with local community groups and other schools. Our children will be able to play and compete		End of May 2021 – complete fundraising and commit order for July instal. On going maintenance will be within site maintenance budget.	Project cost @£70000

<p>4. broader experience of a range of sports and activities offered to all pupils.</p> <p>5. increased participation in competitive sport</p>			<p>against children from other schools. It will impact immediately and be a wonderful asset for the years to come.</p> <p>We have a professional bid writer seeking to gain financial support from organisations such as Sport England. We also have a large amount of funds allocated from our Coast Academies financial reserves. Unfortunately, due to the high cost of such projects, all this is not enough. Therefore, we are looking at other ways to get the funds to bring this exciting project to completion.</p> <p>One idea is that local companies could advertise around the edge of the 2G pitch.</p> <p>Therefore, we commit all our Sports Premium funding to this project.</p> <p>We believe that together we can reach our financial goal, and make a sporting venue for future generations of Preston pupils.</p>			
			Total planned spent to date			Approx. £18810
			Total			£18810
