

EDEN PARK PRIMARY & NURSERY SCHOOL IMPROVEMENT PRIORITIES

COAST
ACADEMIES

Leadership and Management

Leadership supports the full engagement with the community, including parents, local services, and local business.

Leaders have an ambitious vision for creating high quality education

Leaders structure the school for the best possible results

Leaders structure a consistent approach to learning

Staff wellbeing are at the heart of leadership decisions.

Quality of Education

To deliver a coherently planned and robust curriculum that meets the needs of all pupils.

To embed and utilise a new maths progression.

To continue to improve writing across the school

To develop a curriculum that is relevant to the 21st century.

SEN pupils are supported to achieve best possible outcomes.

Behaviour and Attitudes

The school is able to improve on its high standards of behaviour and conduct.

Tracking and recording of behaviour is improved through CPD

Specific support is provided to enable staff to support the provision for children with the most challenging behaviour.

A positive environment is established in which strategies to combat bullying and cyber bullying effectively delivered.

Personal Development

Child welfare and self-esteem are promoted through cultural opportunities.

To create a monitoring and delivery schedule for the school core values.

Actively seek to promote child welfare and happiness.

Increase the opportunities for children to work outdoors.

Ensure the school values are promoted at every opportunity through establishing them in school culture

Early Years Education

The new EYFS curriculum is fully implemented.

Outdoor Education is a weekly expectation to support children's personal development.

Interventions are short term, bespoke and are highly effective.

Standards in Reception for Reading, writing and Maths are tracked closely, ensuring strong catch up following national lockdowns.

Citizenship

Create a children's citizenship council to lead on aspects of school life.

Create a reward system that acknowledges children's engagement with their community

The school works towards reducing its own environmental impact

Create a framework for Global Citizenship Education.
